Borough of Surf City

Governing Body Meeting Minutes

Mayor F. Hodgson called the meeting to order and read the following statement: In compliance with the Open Public Meetings Act of the State of New Jersey, pursuant to P.L. 2025, c. 72, adequate notice of this meeting of the Borough Council has been provided on the Borough website and to two online newspapers.

The roll call reflected the following members present: Councilman Joe DeBenedetto, Councilman William D. Hodgson, Councilman Lee Lieber, Councilman Gerry P. Little, Councilwoman Jacqueline L. Siciliano, and Mayor Francis R. Hodgson. Councilman Hartney was absent.

Also in attendance were Borough Superintendent Art Yahn, Water/Sewer Superintendent Ryan Brady, Police Chief Jack Casella, and Chief Financial Officer Michael Gross.

All present joined Mayor F. Hodgson in a Salute to the Flag.

Councilman Little moved to approve the minutes from the July 8, 2026, regular meeting. Council President Wm. Hodgson seconded the motion. The roll call reflected the following votes in favor of approval: Mr. DeBenedetto, Mr. Wm. Hodgson, Mr. Lieber, Mr. Little, and Mrs. Siciliano. Mr. Hartney was absent.

Resolutions 2026-126 through 2026-138 were considered and approved, as attached.

Mayor F. Hodgson read the June 2026 Municipal Court and Finance reports.

Councilman Lieber provided the July 2026 Statistical Report. He then moved to approve the October 2026 Trunk-or-Treat event, to be hosted by the Police Department. Councilman Little seconded the motion. Upon roll call, the following members voted in favor of the motion: Mr. DeBenedetto, Mr. Wm. Hodgson, Mr. Lieber, Mr. Little, and Mrs. Siciliano.

Councilman DeBenedetto provided the Beach Patrol Statistical Report. He reported that the Beach Patrol is experiencing staffing challenges at this time of year, noting that 17 of the 43 lifeguards had left as of August 12. While some scheduling challenges are anticipated, several temporary lifeguards have returned to assist with coverage. Councilman DeBenedetto reported that the Gator Program is running smoothly and that the Beach Patrol has placed well in lifeguard tournaments. He also noted that the boat ramp is performing extremely well. A custom, marine-grade shower was ordered for the Bay Beach; however, it did not arrive in time for installation. Councilman DeBenedetto stated that there is still significant work to be completed at the Bay Beach.

Council President Wm. Hodgson provided the Beach Badge and Sanitation Reports. He reported that beach badge checkers discovered instances of minors using counterfeit beach

badges. He noted that current State laws regarding juveniles are restrictive and prevent the Police Department from taking the same course of action that has been taken in the past.

Councilwoman Siciliano reported that the Department of Public Works has been filling potholes and clearing outfalls and catch basins. Plans are being made for the next NJDOT project, which is expected to go out to bid soon.

Councilman Little provided the July 2026 Water and Sewer Report. He reported that there were no water shutoffs during July. The Department utilized its camera system to inspect a sewer pipe.

Councilman Little stated that the Borough is currently working within a four- to six-year plan to modernize the water system. The SCADA system has been installed and activated, and analyzers are now in place to monitor water quality and system flow. Ryan also completed an inventory of the Borough's water and sewer systems.

The new Water and Sewer Department has been delivered. The Department has also been replacing deteriorated water pits.

A request was received from Madison Heck requesting a memorial bench for her father at Bay and N. 7th Street. Councilwoman Siciliano moved to approve the request. Councilman DeBenedetto seconded the motion. The roll call reflected the following votes in favor of approval: Mr. DeBenedetto, Mr. Wm. Hodgson, Mr. Lieber, Mr. Little, and Mrs. Siciliano. Mr. Hartney was absent.

A request was received from Jaime Ryan to host a 5K Run on Sunday, October 25th, from 8:30 a.m. to 10:00 a.m. A map of the proposed route is attached. The request also includes the use of the 200 Block of N. 7th Street following the 5K for youth runners to participate in a "Monster Dash." Councilman Lieber moved to approve the request. Councilman Little seconded the motion. The roll call reflected the following votes in favor of approval: Mr. DeBenedetto, Mr. Wm. Hodgson, Mr. Lieber, Mr. Little, and Mrs. Siciliano. Mr. Hartney was absent.

Councilwoman Siciliano moved to pay the bills. Council President Wm. Hodgson seconded the motion. The bills were approved for payment. The roll call reflected the following votes in favor of approval: Mr. DeBenedetto, Mr. Wm. Hodgson, Mr. Lieber, Mr. Little, and Mrs. Siciliano. Mr. Hartney was absent.

Mayor F. Hodgson asked if anyone had comments or questions.

Erin Azar filed a complaint on July 23 regarding the lack of a public-use ramp at 23rd Street Bulkhead, which she believes poses a public safety concern. She also raised concerns regarding the drainage pipe, which she feels is too long.

Mayor F. Hodgson mentioned that a permit would have been required for the non-permitted ramp that was installed and that the insurance company stated that it needs to come down.

Councilwoman Siciliano mentioned that someone cut the boards, resulting in damage to Borough property.

Ginny Vill, N. 5th Street, requested trash can covers.

Mayor F. Hodgson explained that the Borough has become a stopping point for people leaving the North End of the Island to dispose of their household trash in the Borough's public cans. Council President Wm. Hodgson displayed photographs of covered trash cans in an adjacent municipality, noting that litter was found around the cans rather than inside them. Councilwoman Siciliano pointed out that this may be a people problem.

Margaret Illis, N. 9th Street, complained about the removal of street-end trash cans, stating that people are now using her trash cans for beach-related waste.

Council President Wm. Hodgson offered that additional trash cans could be placed on the beach. Michael Gross explained how beach fees and Clean Communities grant funds are allocated.

John Gausz stated that he wants trash cans with lids.

Councilman DeBenedetto explained that the Borough had acquired litter cans with lids for the park areas through the Ocean County Clean Communities Grant.

Discussion ensued regarding the use and placement of litter cans.

Steve Joerg stated that the Borough had requested beach mats and was initially told that they were too expensive, but the mats were ultimately obtained.

Councilman Little moved to adjourn the meeting. Councilwoman Siciliano seconded the motion. With a vote in the affirmative, the meeting was adjourned. The roll call reflected the following votes in favor of approval: Mr. DeBenedetto, Mr. Wm. Hodgson, Mr. Lieber, Mr. Little, and Mrs. Siciliano. Mr. Hartney was absent.

Respectfully submitted,

CHannemann
